**Accountable Manager's Commitment Statement**

This page represents the agreement by the Accountable Manager that the organization will comply with the conditions specified in the Maintenance Organization Manual. It includes recognition of the consequences of failing to meet either requirements or standards.

The Accountable Manager is on the corporate board and has full financial authority.

These procedures are approved by the undersigned, and will be adhered to, as applicable, when maintenance work/orders are being processed for Chinese Operators under the conditions of the CCAR-145 (as revised).

It is accepted that the organization's procedures will be revised complying with any additional requirements formally published by the CAAC and notified to this organization from time to time. It is further accepted that the organization will maintain this Appendix B in accordance with Section 8 of the Maintenance Organization Manual.

Signed by the Accountable Manager
