

Careers

Soundair Aviation Services is a worldwide leader in aircraft part repairs and PMA development for the commercial aviation industry. Soundair strives to be the ideal source in the delivery of parts and service to meet customers' long-term needs. To realize this mission, we build and maintain solid business partnerships through a solution oriented approach offering exceptional quality, value, and service. We maintain a company culture that elicits a dedicated staff to further our expertise, generate growth, uphold integrity, and to continue the development of innovative solutions in this evolving industry.

At Soundair Aviation Services, we are dedicated to staying at the top of the industry, to building the community and to providing a good quality of life for our employees.

Soundair offers a comprehensive set of benefits including health, dental, life, and long-term disability insurance, paid time off, and a 401(k) retirement plan with a company match.
